

GXN/PSI Cocktail Reception: First GXN Member Gathering of 2026

DÜSSELDORF, JANUARY 6, 2026

Right on time for the start of the new year, GXN members came together for the **GXN/PSI Cocktail-Reception** – an exclusive, members-only evening that marked the first GXN gathering of 2026. Hosted at Vino's Weinbar in Düsseldorf, **the evening set the tone for 2026 with exactly what defines GXN: personal connection, open exchange, and a strong sense of community.**

With around 60 GXN members in attendance, the reception offered a relaxed and welcoming setting to reconnect after the year-end break, meet fellow executives, and continue conversations beyond the formal conference environment. **The mood throughout the evening was upbeat and engaged** – people moved naturally between groups, sharing updates, discussing current market dynamics, and exchanging perspectives on the opportunities and challenges ahead.

As a members-only gathering, the **GXN/PSI Cocktail-Reception** once again highlighted **the value of a trusted network:** direct conversations, honest insights, and the kind of peer-to-peer dialogue that is hard to replicate elsewhere. The evening was filled with meaningful interactions – new introductions, familiar faces catching up, and plenty of forward-looking discussion that carried well beyond the first toast.

As the first meeting of the year, the **GXN/PSI Cocktail-Reception** set a strong tone for what's ahead: collaboration, openness, and a community that thrives on meaningful interaction. A warm thank you to everyone who joined and helped create such a positive atmosphere. **We look forward to continuing these conversations in the next GXN formats and throughout 2026.**
